_____ I understand that the Command Religious Program takes priority and may require rescheduling or cancelling of an event scheduled by groups represented in sections 1, or 2. above.

_____ I understand that per Navy directives, chaplains conduct public worship according to the manner and form of the faith group of which they are a member. Special religious services or ceremonies are conducted by a Chaplain only when they conform to the policies and procedures of the chaplain's ecclesiastical authorities. Arrangements to engage the service of a Chaplain for any ceremony shall therefore be made directly with the Chaplain concerned. Scheduling a chapel space does not constitute scheduling of a chaplain.

_____ I understand that Religious Program Specialists work for and are assigned to support the Command Religious Program under the supervision of the Command Chaplain. Scheduling of the chapel facilities does not grant personal support or facility support such as photo copier machines, fax machines, IT assets, etc. Arrangements for additional support must be made through the Command Chaplain.

_____ I understand that eligible persons reserving chapel facilities for any event, religious service or ceremony are responsible for making arrangements for the entry of guests, including musicians, florists, photographers, etc., onto the base. All persons participating in or attending a special religious service, ceremony, or event in the Chapel shall comply with the current regulations concerning entry onto the base and personal conduct while aboard.

_____ I understand that the eligible person requesting to use chapel facilities is responsible for the following:

1. Consultants: Such as wedding consultants or funeral directors, are to be advised that the Command Chaplain has final authority on all decisions regarding procedures in the chapel before, during and after the event.
2. Photographers: Must consult with officiating chaplain concerning his/her policy regarding photographs. Scheduling times must be adhered to. Remaining in a reserved space past the scheduled time in order to take photographs is not authorized. The eligible person should schedule enough time when reserving the space for photography needs.
3. Organist/Pianists: Other than currently contracted chapel musicians must be approved by the Command Chaplain.

_____ I understand that no fees shall be charged for the use of chapel facilities or for services of military chaplains or Religious Program Specialists. Arrangements to pay for the professional services of organists, sextons, sacristans, or soloists, etc., shall be arranged and paid directly by the person requesting such services. Payments for such services must be completed prior to chapel usage.

_____ I understand that all groups are responsible for setup and break down of their event. This means restoring spaces to their original configuration and breaking down all equipment used. Please schedule sufficient time before and after your event to allow for set up and clean up. Any necessary repairs due to damage connected with the use of chapel facilities will be charged to the person sponsoring the event.

_____ I understand that all requests must be submitted at least two weeks in advance of the date requested.

_____ I understand that Saturdays and Sundays are reserved for weddings and services respectively. No new groups will be scheduled for those days.

_____ I understand that no food or drinks are permitted in chapel spaces except within the Fellowship Hall and kitchen, unless authorized by the Command Chaplain.

_____ I understand that all groups must clean up their area prior to exiting the chapel. The group must take the garbage to the dumpster.

_____ I understand that all groups must sign in and out with the duty RP. If your group no longer needs the space that has been requested please give at least 48 hours notice.

_____ I understand that failure to abide by any of these policies may result in loss of chapel privileges.
